100th anniversary of  
King Solomon Lodge No. 58

**JULY 30 - AUGUST 2, 2010**

## **Kamsack and Area 2010 Homecoming Event**

Kamsack and the surrounding communities is an example of the revitalization of rural Saskatchewan. The community spirit of 2005 Centennial Celebrations has carried through to the present... Many people that attended the 2005 events suggested there be an opportunity to meet again in about five years.

A number of the 2005 Committee members decided to respond to the interest shown and met the first time during February 2008 to determine if there was interest in having a homecoming event in 2010. This resulted in the formation of the 2010 Homecoming Committee and as interest grew added the local RCMP detachment and the Kamsack Masonic King Solomon Lodge #58 organizations to participate in events during July 30, 2010 to August 02, 2010.

The 2010 Homecoming will offer an opportunity for families, friends and acquaintances to reconnect, will remind us of our roots and heritage, and will link the past & future in a meaningful way. We will have an opportunity to exchange our experiences, will have time to reflect and will do so in an environment of having fun. The RCMP has been and continues to be a key member of our community and will be recognized for their contribution to the area. King Solomon Lodge #58 will be celebrating its 100th Anniversary and will have a number of events to recognize their service to the community over all these years.

The 2010 Homecoming Committee, local RCMP detachment and King Solomon Lodge #58 invites you to join us in the festivities. Your participation will make it a most successful event. We appreciate information you have to contact people that should also receive this invitation and information on the celebration so we can keep it all up to date.
